The cheapest and simplest gymnasium in the world—one that will exercise every bone and muscle in the body—is a flat piece of steel notched on one side fitting tightly into a wooden frame, and after being greased on both sides with a bacon rind, rubbed into a stick of wood laid lengthwise on a sawbuck.

That tired, debilitated feeling, so peculiar to Spring, indicates depraved blood. Now is the time to prove the beneficial effects of Ayer's Sarsaparilla. It cleanses the system, restores physical energy, and infuses new life and vigor into every fibre of the body.

On Wednesday, March 13, representatives of the state organizations of the W. C. T. U., the I. O. G. T., the R. Henry Watson, which is an out and out prohibition bill, framed after the Kansas and Iowa laws. Albert Dodge, of Fowlerville, Mich., Grand Secretary of the I. O. G. T. was chosen Secretary, and charged with the work of distributing and collecting the petitions. Already several thousand have been sent out, and any who have not received one, and who are willing to circulate the same, are requested to write him for blank petitions.

The homeliest man in Brockway Centre, as well as the handsomest, and others are invited to call on any drug-gist and get FREE a trial bottle of Kemp's Balsam for the throat and lungs, a remedy that is selling entirely upon its merits and is guaranteed to relieve and cure all chronic and acute coughs, asthma, bronchitis and consumption. Large bottles 50c and \$1.

The following item we clip from the Port Huron Daily Commercial-Tribune of Monday:—"State Agent Doyle was in the city this morning investigating the cases of Wm. Young, the boy who broke into McArthur's store at Brockway Centre about three weeks ago, and that of Wm. Rearden, the boy who stole a revolver from Thos. Fish a few days ago. On the recommendation of Mr. Doyle, Justice Wellman sentenced both to the reform school at Lansing until they are 17 years of age. They are now 14 years old."

The B. C. F. T. club party held in C. F. Michaels' hall last Friday evening was quite well attended and a very enjoyable time was had. The supper furnished by Mr. and Mrs. Michaels was dished up in the best manner possible and relished by all present. Music for the occasion was dealt out in first-class shape by the Brockway Centre orchestra. Although the boys have been organized but a short time they show not only considerable practice but a great deal of natural talent in that direction. We have not heard one word of dissatisfaction as to the style of music furnished by the boys nor the way they dispensed it.
